

GENERAL RULES

- Entries will be taken in the order received.
- By filling out the registration form, contestant agrees to all rules of the competition.
- Number of contestants will be determined immediately prior to each qualifying competition, and is dependent on the time constraints of the venue.
- Contestants not selected for the semi finals on any night of the competition, may enter on another night at any venue, as often as desired. Each contestant will be judged solely upon the current performance.
- One winner per night, per venue will advance to the semi-final round. Ten semi final winners will advance to the final round, where only one winner will be chosen.
- Contestants must choose a song from the karaoke book at the venue, unless the venue has the capability of using an mp3 or similar. Contestants may not accompany themselves on an instrument or have someone play an instrument to accompany them.
- Contestants may not change a song after it has been entered. In the event that someone else chooses the same song, each will be notified and have the option to choose another song. However, you may both sing the same song if desired.
- It is possible that certain venues may allow for contestants to sing more than one song. This decision is made by the venue and depends on the total number of contestants, and is based on its own time constraints. However, if one contestant is allowed to sing more than one song, each contestant must be given this option.
- Contestants may sing any genre of music.
- Qualifying contestants progressing to the semi final round must sing their winning song. In the event of another semi final contestant having the same song, each contestant will be given the opportunity to choose another song, or to continue with their winning selection, even if this means a song will be sung twice during the semi final competition.
- Winners of the semi final round will sing a song of their choice and one selected from a list provided by Ship Shore's Productions for Charity, Inc. This selection will be what the winner of the competition will sing in the Let's Beat It! show. Suggestions for additions to the song list are welcome, prior to the semi final round, though Productions for Charity, Inc. will be the final determinator. Once the suggestion is accepted, it will be made available to the other semi final winners.
- Registered contestants names will be drawn prior to the start of the competition at each venue, to determine order of performance.
